

HEALING OUR HISTORY

The Challenge of the Treaty of Waitangi
Robert Consedine and Joanna Consedine

Updated & Revised

"This is one of those books New Zealand needs"
Michael King

"This accessible book, based on years of Treaty work experience, is essential reading for all at this time"
Claudia Orange

'Acknowledging our history, honouring all our stories, healing, forgiveness—a brilliant book'
Sir Paul Reeves

'These authors offer us a hugely valuable resource'
Professor David V Williams, Auckland University

" _ [this] book about the Treaty of Waitangi will offer many New Zealanders their first true understanding of the topic _ .a false version of history was taught for generations _ .we were totally unaware as pakeha, of what happened _ it is a **wonderful** book. It is a very **good read** _ it is well written _ "

Former Prime Minister Helen Clark

This 2012 edition updates and expands on the critical issues: the foreshore and seabed debate, Maori access to political power and the emergence of the Maori Party; the remarkable growth of the Maori economy, self-determination, Maori language and the developments in Maori education; constitutional issues, the benefits of the Treaty settlement process. New Zealand and all New Zealanders have much to celebrate—and many challenges ahead. The book also highlights the dramatic progress in Maori society from dispossessed indigenous peoples to a significant role in New Zealand society. The message of this book illustrates how each and every New Zealander can discover a new sense of personal and national identity, grounded in an authentic Treaty relationship.
